Tales of Terra Ocean

Long before the distant past, Earth was an organic whole without form and void. A divine goddess named Pan Gu separated Earth from Heaven to form Terrestrial continents.

Once every sixty six thousand six hundred and sixty six year, a disastrous scourge would be brought upon this land. Floods, drought, famines, earthquakes and disease epidemics spread through out Earth.

Four Sages walked across the continents and discovered the myth of contrary forces, which were interconnected and interdependent in the dynamic natural cycle.

Relying on absorbing the spirits of sun, moon, fire, water, wind and earth, an animating force was formed within beads which could summon the catastrophic destruction brought upon land but also able to preserve the existence of mankind.

Weapons were forged with spiritual beads, passed down through generations and were dubbed 「 Eternal Summoning Weapons of the Ancient 」 。

As the plot progresses throughout this book, readers will be able to browse inside an ordinary youngster's extraordinary journey, retroactively entering the chronological time warp of paranormal summoning monsters, and witnessing a new era of fantasy stories.

This book guarantees an unprecedented scale in the classical Chinese literature. A literature of fantasy moniker 「 Tales of Terra Ocean 」
