Please note that this book is intended as a companion to the audiobook, so that children can see the written words that are spoken in the audiobook. Young Linguists teaches kids essential language skills fast. That means 20 minute lessons to help kids stay engaged, and daily repetition to reinforce learning. We also narrow down vocabulary to the most-used words and phrases so that you are learning what you can apply. These books also included detailed sections in English on effective strategies for learning new languages and ideas to carry on learning and applying what you know once the course is complete. In addition, there are complete review sections for learning, comprehension and speaking repetition. This is a complete language course to get your child proficient in a new language in just 4 weeks. Over 300 different words and phrases are included

across 29 different themes and sections including the key building blocks of greetings, adjectives, quantities, questions and responses, colors, places, emotions, time, food, transport, animals, positions with multiple sentence construction examples.
