It is my goal to offer you a well-rounded perspective of what Witches believe. I want to demonstrate to you how they practice, and how you too can begin constructing and walking your unique path as a Witch.

Millions have found themselves drawn to the nature-based religious and spiritual practices of Wicca and Witchcraft. In the United States, Witchcraft, Wicca, and Neopaganism are deemed one of the fastest growing religious and spiritual affiliations. This is for a good reason, Wicca and Witchcraft are flexible allowing the practitioner to create and practice a theology that is uniquely suited to his or her needs and core values.

However, this profound growth has its setbacks. Locating trustworthy information and educational materials can prove challenging to find. New practitioners and seekers who look to books and the internet, soon discover that Witchcraft has a wide range of beliefs, practices, and opinions. This can make defining Witchcraft difficult, as no single doctrine dictates what Witches believe or how they should practice.

As you read and discover the intricacies of Witchcraft, you will also learn the value of finding authentic and credible teachers. Experienced teachers must

express the knowledge we gain as we help illuminate some of the falsehoods generated by the fast rise of Witchcraft and Wicca.

Within this book, you are taken through a non-denominational version of the pre-Christian faith known as Witchcraft. We will take a look the origins of Witchcraft and how this “Old Religion” manifests today.
